### Assignment of Benefits and Acknowledgement

The undersigned authorizes, whether he/she signs as agent or as patient, direct payment to Optima Diagnostic Imaging of any insurance benefits otherwise payable to or on behalf of the undersigned for services rendered. It is understood by the undersigned that he/she is financially responsible for charges not fully satisfied by his/her insurance payment. This is to make you aware that your insurance company may deny payment for a multitude of reasons.

Depending on your plan, your insurance can and may deny payments based on the coverage of your policy and may also leave you responsible for a certain portion. We do not know for certain until your insurance company is billed. Insurance companies do not guarantee payment until they have received your claim.
